Mantic Games – Halo Product Line

Minimum Advertised Price Policy. This MAP Policy is presented and is enforced by Mantic Games.

Advertised pricing practices or other Reseller conduct inconsistent with this MAP Policy may result in, among other actions, unavailability of specific product for purchase, lower prioritization for product allocations and or stoppage of trading.

Reseller will not advertise the price of a Mantic Games listed item below a Mantic Games Product's MAP. The reseller will not represent the MSRP of a Mantic Games Product to be anything other than the MSRP communicated by Mantic Games for that given Product.

- The MAP of Mantic Games Products applies only to the advertised price and does not apply to the actual point-of-sale checkout price, which is at the sole discretion of the Reseller.
- Mantic Games will consider Reseller's actual advertised price to be the price at which a Mantic Games Product is offered by or on behalf of Reseller to an End-User (potential or actual) after applying all discounts, rebates, allowances, coupons, and similar price reductions.
- This Map Policy does not apply to the actual prices of Mantic Games Products communicated by Reseller directly to an individual End-User.

It is not the intent or purpose of this MAP Policy to restrict, coerce, force, or reach agreement with a Reseller to charge a particular price for any Mantic Games Product.
